

XTRAGLIDE

DUST AND FINGER PRINT REPELLING POLISH

XtraGlide is a streak-free window, glass and furniture polish which repels dust and resists fingerprints for a long-lasting finish. XtraGlide leaves surfaces in their original state, without the artificial looking veneer left by other polishes.

FAQs

- **Where can this product be predominantly used?** XtraGlide can be used on majority of hard surfaces.
- **Where should you not use this product?** XtraGlide should not be applied to touch / plasma screens or flooring as the surface will be slippery post use.
- **Why is this product different from others on the market?** XtraGlide repels dust on surfaces for up to 4 days. It effectively cleans windows in very low concentrations.
- **Why is this product eco-friendly?** This product does not use silicone. It is recognised as an ethical product by the Good Shopping Guide.
- **What is the packaging made from?** The bottles are made from recyclable or recycled plastics with recyclable and reusable trigger sprays.
- **What size is this product available in?** Available in 750ml & 5L.
